## P2P FIFTY YEARS AND STILL GOING

2017 is the fiftieth anniversary year for Person to Person Ministries. Beginning in November 1967 as Person to Person Evangelism, God has blessed this ministry with growth so that today she continues as a vital work in Christ's kingdom.

As I reflect upon the significance of fifty years of ministry my mind recognizes the grace of God in this endeavor. Person to Person started as an evangelistic ministry that travelled and preached. It is only by His grace that there is a gospel to preach, and only by His grace that He allows us to preach it. Through fifty years P2P has had as its focal point the preaching of the gospel of Christ.

Over fifty years God has used many people to make this ministry what she is. May we never forget founding Director Larry "Bus" Wiseman and his successor Director Dean Mills. Through the vision and passion of Bus P2P exists. In 1979 Dean Mills became Director and served for twenty years. Through Dean's tenure the ministry grew tremendously in facilities, programs, finances, and impact on the kingdom. God blessed P2P with two wonderful men who laid the foundation for our service today.

Many works for Christ have been undertaken in these fifty years of ministry. Through the years every Director of P2P has had an international work somewhere around the world. Dean Mills worked a co-ministry for a number of years serving P2P and Eastern Christian College as President. Right here on our own campus perhaps the most significant work ever undertaken by P2P is the Hillsboro Family Camp. From its inception in 1972 to today Family Camp has become a premier event in our brotherhood. Through the years Clinics and classes encouraging, educating, and equipping all believers has been part of the annual calendar. In more recent times a Media Ministry has expanded P2P's ministry globally with audio and video recordings of all P2P programs and select brotherhood events.

Above all though through fifty years of ministry lives continue to be influenced for Christ. Only God knows how many people have been saved as a result of P2P. Preachers are still being recruited at Restoration Acres. People who have strayed from Christ have been restored. Discouraged Christian workers have been refreshed.

It is my prayer that fifty years is just a good start for this ministry. The end result is that through P2P Christ would be exalted, and the church would be assisted in making disciples.

**Yours thru Jesus**
