

LETTER FROM OUR DIRECTOR

A great opportunity awaits you May 13-15, 2021 at Restoration Acres. "The Preacher's Workshop," previously called "Preaching Camp," will be hosted by Person to Person Ministries for it's 19th year.

The late Ed Bousman, after participating in this event said, "This is the greatest thing Person to Person has ever done."

"The Preacher's Workshop" is about preaching but there is so much more. During this event, in addition to classes on preaching, there will also be an Old Testament class, a New Testament class, and two Practical Ministries classes. Furthermore, each day of this event will end with either a sermon of encouragement and challenge, a group discussion or a closing devotion. "The Preacher's Workshop" is excellent for those who do preach or would like to preach, AND it is equally as relevant for those who serve as teachers or leaders in the local church.

An exceptional faculty is assembled who are faithful men experienced in teaching in a way that is deep and practical. There are very few opportunities you will ever get for an educational experience so compact and yet so intense.

Please seize this opportunity to learn and grow as a kingdom servant. Let me encourage you right now to fill out the registration form on this brochure, and make your plans to attend "The Preacher's Workshop"!

*Building Disciples Together,
Alex Eddy*
