

March 31, 2020

Dear P2P Friends,

Since it is not practical, wise, responsible, or even legal in some cases to greet you personally, I want to extend my greetings personally and on behalf of Person to Person Ministries through this note.

Clare Boothe Luce said, "There are no hopeless situations, only people who have grown hopeless about them." Those words need to be echoed throughout our country as we experience the realities of the Coronavirus pandemic. Of course people's health is in peril, whereas our employment, socializing, worshiping, shopping, and most every other aspect of our lives is disrupted to the point that many feel nearly hopeless. How we as a people recover from this remains to be seen, and needs to be a major matter of prayer.

At Person to Person Ministries we are doing everything we reasonably should do to comply with the guidelines established by the President, and all governing authorities. Therefore, someone is in the office only on a limited basis. We canceled the Spring Class which should have begun last month. The decision has now been made to cancel our Spring Clinic and Preaching Camp which were scheduled for May. The phone is being monitored daily, and we are still able to be reached electronically through email, and on social media as well.

Plans are still in place for Alex Eddy to begin his work with P2P as the next Executive Director this month. As he starts his work in the midst of this pandemic, he will be working from home under my direction. Even now Alex is in regular communication with us keeping abreast of all plans, decisions, and actions. I know you are going to love him and Missy. P2P is blessed to have them on board.

Just as so many personally and professionally are feeling the economic stress resulting from this pandemic, even so P2P feels it as well. For those who have been able to continue your financial support we thank you. For those who are unable to support us financially right now we understand. We do ask that you pray for us, and I assure you that we are praying for you. For any who could support us at this time, it would help more than ever.

Unlike so many who are now feeling hopeless, as we begin this new era in the life of Person to Person Ministries our hope is sure because we know God will supply all our needs.

Yours thru Jesus,

Kerry Allen

Kerry Allen
Executive Director
